THE AMERICAN CENTER

EDUCATIONAL ADVISING CENTER DHAKA

Dedicated to
providing accurate and
independent information about the
U.S. educational system

WHAT IS THE PURPOSE OF THE EDUCATIONAL ADVISING CENTER?

The Educational Advising Center (EAC) of the American Center, Dhaka, provides accurate, unbiased information on all accredited U.S. higher education institutions to prospective students in order to assist students applying to U.S. universities.

The center offers a variety of services for prospective undergraduates, graduate students, and professionals who wish to pursue higher education in the United States. Updated reference guides, individual university catalogs, materials for use in preparing for standardized tests, and video tapes of U.S. universities are available for the benefit of prospective students. The Educational Advisor guides students through the preliminary admissions process to the application for a student visa and departure plans. The center cannot, however, guarantee either admission to a U.S. university or a student visa.

WHO HAS ACCESS TO THESE SERVICES/ PROGRAM?

Anyone interested in pursuing U.S. higher education can become a member of the EAC after completing SSC or O level. The EAC library is free for all to use, however, certain services can be accessed only by members.
